

## LESSON #1: PUTTING THE PIECES TOGETHER

**Directions:** This activity is designed to help you “put all the pieces together” to have a full picture of the lesson’s main question—“Is Religious Freedom a Basic Human Right?” After you complete the lesson, summarize what you believe are important points for each of the blue-medallion questions by placing a phrase or short description in a nearby “piece.” Try to fill all of the empty pieces with something from the lesson. A couple of examples are provided for you.
